JW CONSULTING

FAST SERVICE WHEN YOU NEED IT!

The image is a light blue graphic design. On the left, a network diagram shows a central computer icon connected to eight smaller computer icons arranged in a circle. To the right, a blue Ethernet cable is shown with its RJ45 connector. The text 'JW CONSULTING' is written in a serif font above the cable, and 'FAST SERVICE WHEN YOU NEED IT!' is written in a bold, italicized sans-serif font below it, following the curve of the cable.
